

Appointments

We prefer appointments are made to assist our Doctors schedule. To make an appointment please call 07 3154 1111, log on to our website, Facebook page or download the E-Health Engine App.

Walk ins will be allocated the first available consultation but may be required to wait.

Longer consultations are available for 3 or more matters, complex health issues, total body scanning and cosmetic consultations. Please let us know at time of booking so we can best meet your requirements.

Priority is given to urgent matters.

Fees and Billing Arrangements

We are a privately billing practice with an introduction of 3 initial visits to be bulk billed for general practice matters.

Aged pensioners and children under 17 are bulk billed with a valid Medicare card, with the exception of procedures, treatments and total body scans.

Please refer to the fee schedule or speak to one of our staff members.

Communication / Telephone Policy

Enquiries are welcomed and responded to within 48 hours. If you matter is urgent please let our staff know and priority will be given

Test results

Please book a consultation to discuss any results as our reception staff are unable to give results over the phone (unless a prior arrangement has been made) Test results are not emailed.

If results need to be discussed our staff will contact you via phone or text. Please advise if you don't want any text reminders.

Recall & Reminder System

Committed to preventative care we will seek your permission to be included in our reminder system. Routinely, we may issue you with a reminder notice offering you preventative health care services appropriate to your condition e.g. Asthma and Diabetes registers or aged care assessment programmes. If you do not wish to be part of this scheme please let our reception staff or nurse know.

Home Visits

Home visits are not routinely available, however please contact our reception staff to discuss.

Communication Assistance

If assistance is required for hearing impaired or interpreter services, please advise staff when booking.

Skin Care

The Mole mapping (Total Body Scan) machine is used by Dr Marina Rotert and Dr Damian Cornelius. Combined with their knowledge and expertise, this provides excellent and accurate skin checks for early detection of skin cancers.

Any concerning lesions/moles can be monitored over time for re-assurance.

Our doctors deliver a high level of surgical procedures in excision of skin cancer lesions that may require a complicated flap or grafts on different areas including the face, ears, nose, lips, hands, etc.

Cosmetic Skin Treatments

We also specialise in cosmetic skin assessment & treatments for

- Acne & blackheads
- skin congestion
- Pigmentation
- fine lines and wrinkles
- minor scar revision,
- open pores,
- volume loss,
- rejuvenation of dull, tired skin,
- age revealing hands and feet.

Treatments

- skin injectables
- microdermabrasion
- skin needling with a dermal pen
- PDT light therapy

Anti-ageing packages also available. Please book a consult with Dr Marina Rotert for your assessment and best recommendations for your skin rejuvenation.

Synergie skin care products are available for a range of skin conditions from anti-acne, anti-rosacea, to the ultimate Anti-Ageing kit.

The skin care range is based on clinical clean science for effecting your best skin health. Your welcome to book an assessment with Dr Marina Rotert and Dermal therapist Kylie Butcher

Management of patient health information

Our practice is committed to maintaining the confidentiality of your personal health info. For more details ask the reception staff to see a copy of our Privacy Policy.

We abide by the National Privacy Principles
